

Central Virginia Gold Prospectors

January 17, 2009

Welcome to the Central Virginia Gold Prospectors. Our next meeting will be at the Buckingham Rescue Squad on February 21, 2009 at 10:00. Please remember if they are calling for bad weather the meeting could be canceled.

We have completed the rules for the club; each one was read and discussed and put up for a vote. The club approved all rules as read.

Dredging properties: #2,5,6,7. Non-Dredging properties are 1,3,and 4. You can use 12 or 24 volt electric on 1,3,and 4. You can have generators on the properties but at your campsite only. Please remember to keep with you at all times your land fee ID badge.

We share the lease with the hunt club and you will see them coming in and out of the claims to take care of the dogs. They do not have CVGP badges, so please don't ask them. We do want to thank them for working on Claim #1 road.

Next order of business is our schedule of events. This past year we participated in many events. We are very proud of our members and their hard wok. We have a proposed schedule of events for 2009. We will be sending them out to members to see what is coming up and what we have plans for. Please help whenever you can, each person can make a difference to make our club the best it has ever been. The schedule was read over and approved by the club. We will be adding more information as it becomes available.

Our June meeting we want to open up our claims for the CCPO members for the weekend. This was put out for a vote and approved.

We have been working on the revision of our by-laws for the CVGP. We are a non-profit organization and we need to have our by-laws done and completed. Lynne Shaw read the by-laws before the members and it was discussed. The final copy will be ready for a vote at the February meeting and will be handed out in the March meeting.

Next issue to be brought before our members is our membership fee. At present it is 10.00 and due to the cost of the mailings and club expenses we need to raise this to 15.00. A vote was brought before the club and was approved.
