

Central Virginia Gold Prospectors

Our next meeting will be November 21, 2009 at 10:00 am. Location will be the rescue squad building in Dillwyn VA. Please do not park in front of the heliport pad or in front of the bay doors. There is parking across the street in a lot.

Welcome all members and guests today. First we want to introduce the officers. Jack Wyatt is president, Buddy Albert vice president, Lynne Shaw secretary and treasurer, Sam Seay claims director. Chairman of the Advisory Board John Schlabach, other members on the board are Mike Moore, Claes Nordin, Jim Strong and Wayne Gilmore.

Lynne Shaw gave the treasures report from September to present.

Old Business: Last month the club voted to pay for Jack to have a cell phone and also the treasurer. Lynne Shaw declined last month since I use my home phone most of the time. Jack has also declined, after checking with the IRS, we could not pay for use of his personal cell phone. The club could purchase a phone and have that provided, but Jack did not want to keep up with 2 phones.

Damage to the waterfall area on claim #1. Again this is being brought up and we hope the person or persons involved will come forward. The rules are no digging in the banks and under cutting of trees. We will be working on this as a workday, so if you can help let us know.

On our properties you can dredge on claim #2, #5, #6, #7, and #8. You can't dredge on #1, 3 and #4. A question was brought up about claim #1 can you use a 12volt dredge, and there is no dredging on claim #1. You can use a 12volt high banker or a 12-volt power sluice. We are getting another property, just waiting on a family member to help mark the boundary lines.

Nomination of Officers: I would like to open the floor up for any nominations for the officers. Here are the nominations Jack Wyatt for president, John Brown (Butch) for vice president, Lynne Shaw for secretary/treasurer. All were elected by show of hands and the voting process was held in accordance with our by-laws. Thanks to Buddy for his help and service to the club.

Claims director Sam Seay has stepped down and appointed in this position is Kyle Chavis. He lives in the area and this will be a big help to keep an eye out on the claims. We want to thank Sam Seay for his hard work with the club.

We hope to participate in the Christmas Parade in Dillwyn, we haven't heard from anyone with a date yet, but will let everyone know when we do.

Next will be our annual Nugget Raffle, and I am happy to say it was one of our club members R. Brannan.

At our next meeting we want to have a potluck lunch. So if you can bring a dish, or desert please let me know. The club will furnish the paper products, so please don't bring any. Also put your name on your dish with tape so nothing gets left behind.

Thanks for a wonderful year and many new friends. It is because of all of you and your support.
